

APPLICATION FOR **GOPHER** COST SHARE
FARM AND RANCH IMPROVEMENT FUND
2017

The 2017 gopher cost share application window begins March 1, 2017 and will continue until funds are exhausted. Applications will be reviewed by the Farm and Range Improvement Board on a first come first serve basis. This program is currently designed for NMDA approved methods such as rodenticides at a rate of 75% reimbursement, and cannot be used for the purchase of ammunition or devices such as traps. Professional management can be reimbursed at a 50% rate, but must be contracted through a licensed operator. Only original receipts from 2017 paid for by the land owner or leasee will be accepted; invoices alone will not be accepted.
