

APPLICATION FOR NOXIOUS WEED COST SHARE
FARM AND RANGE IMPROVEMENT FUND
2017

The 2017 Noxious weed cost share application window begins March 1, 2017 and will continue until funds are exhausted. Applications will be reviewed by the Farm and Range Improvement Board on a first come first serve basis, with priority of noxious weeds, all classes will be considered but preference will be given to the control of class B and C. Chemicals must be approved for the control of weeds listed. Professional management can be reimbursed at a 50% rate, but must be contracted through a licensed business. Only original receipts from 2017 paid for by the land owner or leasee will be accepted; invoices alone will not be accepted. For a list of chemical options and suggestions please refer to NMSU publication:
